

Kolegji Biznesi
Prishtina, Kosovo

AGREEMENT FOR COLLABORATION

1. This agreement is signed between the Scientific Institute of Management and Knowledge in Skopje, Republic of North Macedonia and Kolegji Biznesi, Prishtina, Kosovo.
2. The purpose of this agreement is to provide mutual collaboration and cooperation of both institutions in their fields of interest.
3. The Scientific Institute of Management and Knowledge, as the organizer of the international conferences Knowledge – Capital of the future will collaborate with Kolegji Biznesi in the process of organization. Kolegji Biznesi will be involved in encouraging members to submit papers and attend the conferences and it should assist in publicity and promotional activities of the international conferences.
4. The Scientific Institute of Management and Knowledge will collaborate with Kolegji Biznesi in international scientific projects.
5. Both institutions will cooperate within the opportunities of Erasmus program, as well as transfer of knowledge, good practices and experiences.
6. Both institutions agree to collaborate in all activities which will improve the educational policies and system.
